

## PSYCHIATRY IN THE CONTINUUM: UME – UNDERGRADUATE MEDICAL EDUCATION RESOURCES

[Residency Explorer](#) - this free research tool allows you to research individual residency programs in a number of specialties, compare yourself to previously matched applicants and residents entering a program this year, as well as explore program characteristics across many areas of interest.

[Educational Commission for Foreign Medical Graduates \(ECFMG\)](#) - certification by ECFMG is the standard for evaluating the qualifications of these physicians before they enter U.S. graduate medical education (GME). Access ECFMG recognized accreditation policy and clinical and communication skills required for ECFMG certification.

[United States Medical Licensing Examination \(USMLE – Step 1, Step 2 CK/CS, Step 3\)](#) - provides information regarding USMLE examinations and access to resources and preparation regarding study materials and procedures.

[FREIDA](#) (The AMA Residency and Fellowship Database) - Allows you to search for a residency or fellowship from more than 13,000 programs - all accredited by the Accreditation Council for Graduate Medical Education (ACGME).

[NRMP](#) (National Resident Matching Program) – Allows you to access various reports contains statistical tables and graphs for the Main Residency Match<sup>®</sup> and lists by state and sponsoring institution every participating program, the number of positions offered, and the number filled. SOAP<sup>®</sup> data also are presented.

### [American Psychiatric Association \(APA\)](#) –

- [Medical Student Programs](#) - provide medical students who are interested in serving underserved communities the experiential learning, training, and professional development they need to be leaders in the field of psychiatry. these grants give medical students opportunities to travel to APA Meetings (Annual Meeting and The Mental Health Services Conference), receive mentorship from psychiatrists and leaders in the field, and more.
- [Apply for Psychiatric Residency](#)
- [Building a Career in Psychiatry](#)
- [Choosing a Career in Psychiatry](#)
- [Psychiatry Student Interest Group Network \(PsychSIGN\)](#) - a national network of medical students interested in psychiatry, from those with a rough interest in the brain and mind to those already in the residency application and match process.
- [Resident-Fellow Census](#) - opportunity for mentorship, networking, and leadership opportunities.
- [International Medical Graduates Guide to U.S. Residency](#)
